Dear

**System Stabilisation Fund: ESG Gaming**

I am writing further to my most recent letter dated Tuesday, 24 October.

We are concerned for ESG Gaming and our partners as we have not had a response to this letter, or formal responses to our other letters dated Thursday, 28 September; Tuesday, 03 October; and Thursday, 12 October 2023.

I do appreciate that you and your colleagues are busy, but might we be able to get an update as we are not sure (i) what the outcome from the SSF Round One appeal was; (ii) what the outcome was for a rapid response grant and (iii) if we are applicable to apply for the next round of the SSF. We also had our board meeting last week and as usual, we have published the board papers on our website (Governance Tab). We have published all our letters to GambleAware within the strategic review and have reviewed our risk assessment, where income is moved to a RAG rating of RED.

Could we ask for a formal response to our (i) appeal letter to the SSF round one dated 03 October and (ii) the rapid grant request dated 24 October?

Best wishes
