Dear 

Emergency Grant: ESG Gaming

Happy New Year.

I hope you do not mind me writing, but I wanted to ask if there might be an update following our letter dated 02 January 2024. You kindly indicated on 08 January that there would be an update within the week and then emailed again on 18 January, suggesting you need a few more days. Two weeks have now passed, and I wanted to ask if there might be an update.

Look forward to hearing from you and thank you for your support.

Best wishes
